# REMARKS

## *Sheriff Gary W. Howard*

As you review this report, you'll find a summary of statistics and narratives detailing the type and volume of work being performed by each Division of the Sheriff's Office, as well as a glimpse into the special programs created and provided for the public to use.

I hope that you will take notice of the volume of work being performed by my dedicated and professional staff. The trend of increasing workloads and unfunded mandates continue, but as I've previously stated, I believe that we are capable and talented enough to meet these challenges.

As always, I want to encourage all citizens to be proactive in crime prevention and in helping to keep our communities safe.

I am proud to serve as your Sheriff and will continue to work hard in leading a professional and effective Sheriffs' Office.

STOPDWI Funding provides for Special DWI Patrols, as well as equipment in support of DWI enforcement.

## Public Service Programs

The Sheriff's Office continues to be an active partner with the NYS Child Passenger Safety Program. Tioga County residents can make a reservation to have their child safety seat inspected as well as be instructed on the proper method for installing a child safety seat.

In collaboration with the Tioga County Department of Health, Deputy Kaden Siang continues to actively participate in several Car Seat installation events during the calendar year.

### Offender Watch®

*Sex Offender Registration and  
Notification System  
CriminalJustice.ny.gov  
1-800-262-3257*

A free on-line service which provides citizens with the information needed to protect their loved ones. The service allows you to view known registered offenders and predators in your area. Knowing who these people are provides you with your best defense to protect your family – awareness. The service also allows for instant e-mail notifications which alert you if a registered sex offender moves within proximity to your home.

### Operation Safe Child

Using equipment that contains the latest digital fingerprinting technology and high resolution photography, the Tioga County Sheriff's Office provides SAFE CHILD cards for parents and guardians. In the event a child is lost or reported missing, these cards would serve as critical identification for law enforcement. The program is staffed by Corrections Officers who travel to schools and special events throughout the county during the year to process these specialized identification cards for children ages 3 through 15 years of age. In 2023, staff completed four Operation Safe Child events.

In partnership with the NYS Sheriffs' Association, citizens can access the NYS VINELink which is an online resource that allows you to search for information regarding an offender incarcerated in State Prison or the 60 County Correctional facilities throughout NYS. This service is provided to assist victims of crime who have a right to know about their offender's custody status and when they are being released from incarceration. If you want to be notified of any offender's release, you can register to be notified by phone call, text message, in app, TTY or E-mail. In 2023, 514 notifications were sent out.

Tioga County residents can obtain a Sheriff's Personal I.D. Card. Utilizing state of the art digital equipment, Sheriff's personnel can produce a high-grade personal identification card embedded with an embossed hologram. This service is available during business hours, Monday- Friday, for a fee of \$15 for children and adults. \$10 for Senior Citizens. Cash is the only form of payment for this service. See the Tioga County website at [www.tiogacountysheriff.com](http://www.tiogacountysheriff.com) for required documentation to obtain an ID.

Tioga County has participated in the Centralized Arraignment Part (CAP Court) since 2020. The court appearances take place twice a day, 7 days a week, at 8 am and 8pm. The Public Safety Building has a designated courtroom where arraignments take place. In the past, it was scattered around the county in 13 different courtrooms. This allows justices and attorneys to come to the jail or conduct a virtual court appearance in a centralized location. Detainees are able to meet with their attorneys before they participate in the arraignment process. Local justices are on a rotational on-call schedule to cover these arraignment times.

CAP is a result of new legislation aimed at ensuring the availability of legal counsel for defendants and reducing the burden on local courts. Any detainee that is arrested, not given appearance tickets and court is not in session will be brought to the Public Safety Building to participate in the arraignment and complete the book-in process.

*The Tioga County Jail is currently accredited through the NYS Sheriffs' Association – Correctional Accreditation Program. The program is designed to establish and promote standards which are widely considered to be prudent and effective for operating a Correctional Facility. It provides formal recognition that the Jail meets or exceeds all 166 of these quality standards, which cover four major areas of the organization: Administration, Training, Technology and Operations.*

# Civil Office

Under the NYS Constitution, each Sheriff's Office must operate a Civil Office. The Sheriff is a designated enforcement officer of the Supreme Court of New York and is responsible for enforcing lower court mandates.

The Civil Office is responsible for receiving, docketing, and serving civil processes issued by courts within and outside of New York and providing appropriate proofs of service. Their responsibility includes executing court orders, including warrants of eviction, writs of assistance, civil arrest warrants, orders of seizure, orders of attachment, and orders directing the conveyance of real property.

The Civil Office enforces judgments through enforcement of Income and Property Executions, directing the garnishment of wages, delivery of real property and the sale of real property at public Sheriff's sales. The proceeds of these enforcement procedures are collected and disbursed to the judgment creditors monthly. Sheriff's fees received for the service and enforcement of civil processes and mandates are collected pursuant to law and remitted to the County Treasurer.

The office is staffed by a Civil Manager and a Law Clerk and is in operation during business hours, Monday through Friday. Two part-time Deputy Sheriffs are assigned to provide personal service of processes.

# Community Out-Reach

## NYS Sheriff's Summer Camp Iroquois

The Summer Camp Program, founded in 1977, was established by NYS Sheriffs to aid and enhance the development of the state's youth. In 2023, eleven children from Tioga County were selected to participate in the program, with all expenses being paid by the NYS Sheriff's Association. The camp also employed two counselors from Tioga County.

The children are selected with the help and input of area school officials and youth advocates who identify eligible children who they believe will benefit most from the experience.

The program is designed to foster a stronger relationship between the children and law enforcement and to give children a chance for a summer camp experience.

Located on the shores of Keuka Lake, outdoor learning activities, with professional instruction, are the cornerstone of the camp's recreational program. Team sports are also emphasized as a vehicle to teach comradery and discipline.

Sheriffs' Offices from across the state volunteer staff to supplement the professional staff. The volunteers spend a great deal of time with the kids, with many of them conducting demonstrations in the fields of archery, boating, water safety, and police dog exercise.

Deputy Lukas Brown directed our program, and we thank him for volunteering to act as a mentor to the kids while at camp. Many volunteers from each school district are instrumental in helping to recruit eligible children and to complete a wide variety of prerequisite tasks needed for the children to attend the camp. These individuals have made our participation in the camp a success. The Sheriff's Office handled transportation to get the children to and from camp and thanks to generous donations by the community and the Tioga County Law Enforcement Association, our campers were provided food and beverage.
