Sheriff Gary W. Howard

News Release
Thursday, July 30, 2015

On June 18th 2015, the Tioga County Sheriff's Office received information concerning the existence of a possible methamphetamine lab at a residence on South Oak Hill Road in the Town of Barton. During the ensuing investigation, the Sheriff's Office located a one-pot style methamphetamine lab and a quantity of fluid containing methamphetamine at the residence. The New York State Police Contaminated Crime Scene Emergency Response Team assisted by processing the scene and rendering hazardous materials safe.

In connection with the discovery of the methamphetamine lab, an arrest warrant has been issued for Wade L. Bostwick, D.O.B. 04/24/1978 for the felony of criminal possession of a controlled substance second degree. Bostwick is a white male with brown hair and green eyes, 5'9" tall and weighs 200 pounds.

Anyone with information concerning the whereabouts of Bostwick is urged to contact the Tioga County Sheriff's Office Criminal Investigations Division at 607-687-1010.
