

TIOGA COUNTY

News Release

Thursday, July 21, 2016

At approximately 3:00 PM on July 20th, 2016 a motor vehicle-pedestrian incident occurred involving Tioga County Fire Coordinator, John Scott. Coordinator Scott was transported to Wilson Hospital where he was pronounced dead. The investigation by the Tioga County Sheriff's office is continuing.

Since 1999, John Scott has been the Tioga County Fire Coordinator. John's service has been extensive in Tioga County as well as New York State. A member of the Campville Fire Department for over 45 years, Coordinator Scott served in leadership roles in the Campville Fire Department including Fire Chief. He also served as Town of Owego Fire District Commissioner prior to becoming the Tioga County Fire Coordinator in 1999. At the state level, John served on the Board of the New York State Chiefs Association and served on the planning committee for the annual New York State Fire Chiefs Convention.

Tioga County expresses deepest condolences to the Scott family and the members of the fire service in which he served. Further information regarding funeral service arrangements will be provided when they are available.
